The Richard Dix Junior Trophy Event

Richard was a very keen and enthusiastic member of the Jersey Kart & Motor Club. He started racing at Belle Vue with members such as Robert Miere, Steve Davis, Reg Robert and Roger Norman - to name but a few.

Richard would always offer a helping hand to anyone, especially the juniors. Richard sponsored a race for juniors for a number of years and also donated probably the most coveted trophy at the Annual Prize Giving. This is awarded to any member (not just drivers) who is felt to encompass the whole ethos of the club.

Held under the General Regulations of Motorsport UK (incorporating the provisions of the International Sporting Code of the FIA) and the Club's Supplementary Regulations.

Please help support the Club's fundraising activities any way you can

The 50 Club

This is a fun and inexpensive way to help the Club raise funds in order to improve and maintain the circuit, equipment and services.

To join costs £10 per month per number. The prize money is 50% of the membership fees collected that month and apportioned out to three prize winners each month. Several numbers are still available. Results are posted on Facebook and the Club's website.

See the website: <https://www.jerseykartclub.com/50-club>

Sponsorship

Motorsport is one of the most exciting, innovative and cost-effective marketing choices available. The Club would like to engage with individuals and local companies to help promote their business, event, or service in return for a financial contribution to the Club.

Donations

It doesn't have to be money, but it can be and it'll be used wisely by the Club!

It could also be your time - perhaps you have a treasure to share that would really benefit the club, like a gift for fundraising, organising, problem solving or a desire to make the Club the best it can be.

Jersey Kart Club is a product of its Members and it takes special people to keep to keep it growing and running effectively.
