

**Celebrating 60 Years of Jersey Kart & Motor Club
1960 - 2020**

4th & 5th JULY 2020 CHAMPIONSHIP ROUNDS 2 & 3

Foreword by the Club President:

First of all I would like to welcome you all back to the Loop Road for our first race meeting since 15th March 2020.

The intervening months have been a challenge to us all in one way or another, but as long as we all remain vigilant and adhere to the sensible common sense approach to personal hygiene and inter personal respect, I hope we will all be enjoying a return to racing going forward.

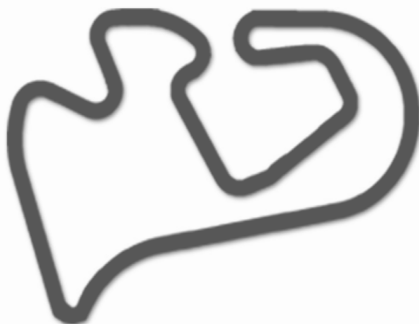

Motorsport like everything else in the World has had to be curtailed as COVID-19 has gripped the World.

Now with Government restrictions eased and with the support of MSUK, Jersey Sport and having satisfied the Government of Jersey, Public Health and the Bailiff's Department that we are in a position to operate within the current restrictions a new programme of events is in place.

The way we run race meetings will be different, possibly for ever, with more reliance on remote processing of documentation, less reliance on paper documents and greater remote compliance.

I hope that we all have a fantastic weekend and enjoy the racing, I would like to thank the Marshall's and Officials for their support and the Committee for the fantastic work that has enabled this weekend to happen.

Graeme Mauger

COVID-19

This race weekend is taking place following advice from the Government of Jersey (Level 2 framework) and from Motorsports UK. **It is imperative that the guidelines are adhered to over the race weekend.** Your behaviour shall be monitored and reported back to local authorities, the JK&MC Club and indeed Motorsport UK.

In addition Motorsport UK shall be filming the event this weekend in order to show other Clubs around the UK how a race meeting can be held under COVID-19 conditions.

For now we ask that you enjoy the race weekend, but follow the guidelines laid out in the communications you have received from the Club. For the avoidance of doubt, should Government of Jersey have moved to level 1 of the Safe Exit Framework by this race weekend, we shall still operate the race meeting as at Level 2, because this is the basis under which we have been allowed to run the race weekend.

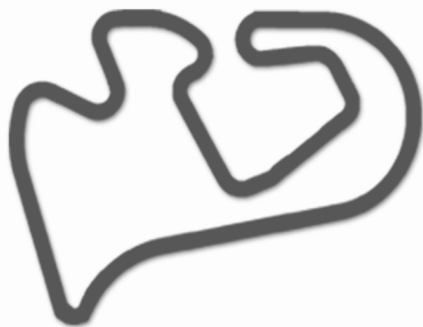

Key messages:

Safer hygiene

- Wash your hands regularly
- Catch coughs & sneezes in a tissue, bin it & wash your hands
- Clean the shared toilets after use (cleaning products supplied)

Safer at a distance:

- Stay within your bubble and please do not interact with people in other bubbles.
- Keep a minimum of 1 metre apart between other people in your bubble
- If you need to interact with someone from the 'Officials' bubble, then please do so from a distance of 2 metres or more.
