CHAMPIONSHIP ROUND 5

Foreword by the Club President:

Welcome to Round 5 of the 2021 Championship.

As with the rest of the year so far, we are having to deal with disruption to the planning that goes into putting on our race meetings.

Despite a massive effort from Amanda we have not been able to secure the services of a Paramedic for Saturday resulting in the practice day being cancelled, however we will go ahead and close the road on Saturday and set up ahead of, what will be, a busy Sunday.

As I write this, we have not received the Bailiff's Permit and therefore have to run behind closed doors with no spectators! We're hoping that by the 27th June we'll once again be able to welcome spectators up to the track.

In the meantime, I hope that this coming Sunday produces some great racing and that you all have a great day.

Graeme

Please help support the Club's fundraising activities any way you can

The 50 Club

This is a fun and inexpensive way to help the Club raise funds in order to improve and maintain the circuit, equipment and services.

To join costs £10 per month per number. The prize money is 50% of the membership fees collected that month and apportioned out to three prize winners each month. Several numbers are still available. Results are posted on Facebook and the Club's website.

Sponsorship

Motorsport is one of the most exciting, innovative and cost-effective marketing choices available. The Club would like to engage with individuals and local companies to help promote their business, event, or service in return for a financial contribution to the Club.

It could also be your time - perhaps you have a treasure to share that would really benefit the club, like a gift for fundraising, organising, problem solving or a desire to make the Club the best it can be.

Jersey Kart Club is a product of its Members and it takes special people to keep to keep it growing and running effectively.
