# THE ELEMENT

# CHALLENGE TROPHY

## ***How the challenge works.***

The Element Trophy Challenge will run over Saturday and Sunday.

The winner of the event will be the driver with the highest score. This will be determined by the running of heats for each class over both days with the driver's top **three** finishes counting towards the trophy.

This means, if you can only take part on one day you could still have a chance of winning.

This challenge does not count for Bambino drivers as they do not race but they will be awarded a trophy if they show good driving abilities and good driving standards.
