1st - 4th JUNE 2017

On Thursday 1st June the Jersey International Motoring Festival opens. This is a particularly important year as it is 70yrs since the International Road Race. Events of karting interest are: Friday evening will be an active display of 70yrs of motorsport on the 1100m Victoria Ave Circuit including historic karts through to modern day karts. On Sunday is the Active Arena, we don't think we really need to elaborate on this other than to say we challenge anyone to say they didn't enjoy it! The organisers of this huge event work for a whole year to stage this spectacle, please make the effort to support this unique event. For more information go to [www.jimf.je](http://www.jimf.je)

### Working Party

Thank you to all members who assisted on Sat 20th & Sun 21st, essential works were completed which will enable our club and our members to enjoy our sport even more. As ever there were many of the usual faces, but it would be fantastic to see some new faces at these essential parties. It is **our** club and we all wish for our club and our facilities to improve but without rolling our sleeves up, we will never achieve our goals.
